## SUBSIDISED SHUTTLE BUS SERVICE 2019/20

We are delighted to announce that ISMonza will be launching a substantially subsidised shuttle bus service in 2019/20. The service, funded in large part by the school itself, will be provided by *Paganelli Travel srl*, who have successfully operated the shuttle service at our sister school in Milan for many years.

Based primarily on the most popular responses from our last family survey, we are proposing the two routes detailed on the pages that follow.

The times indicated are those of the service to school in the morning, although there will also be return services following the same routes which will depart following the end of normal lessons. The prices indicated are for return services for the entire academic year and are inclusive of IVA, payable in two equal instalments: September 1<sup>st</sup> and December 1<sup>st</sup>. Should the bus have PYP students on board, there will be an assistant to ensure that even our youngest students can safely use the service.

Should you wish to sign-up for the service, you are asked to return the reply slip below to Ms. Helga Frigerio, Admissions and Administrative secretary, no later than Monday 8<sup>th</sup> April 2019. We will subsequently be able to confirm the operation of each of the services and invite you to sign a formal contract with *Paganelli Travel srl*.

We hope that you will appreciate the efforts that have been made in preparing this proposal.

With kind regards,

Iain Sachdev  
Principal

Helga Frigerio  
Admissions & Administrative Secretary
